Dear Nine Mile Falls Community Members,

Your Board of Directors is pleased to announce the conclusion of an extensive search for your new Superintendent. All of our candidates possessed wonderful qualities, and this was a very difficult decision. Thank you for all of the input and time that was given to us as we conducted this search.

At this time, we are pleased to announce that we have entered into contract negotiations with **Brian Talbott**, currently the Superintendent of the White Pass School District. We are very thankful to all the candidates for giving of their time and going through this extensive search process. Please support us as we continue to work with Bridget as our Interim Superintendent, and she continues to serve our District so well through June 30. We are very excited as we continue to move the District forward.

Thank you for your support,
Nine Mile Falls School District Board of Directors
