Look at the chart. Find your household size. HOUSEHOLD IS: All persons, including parents, children, grandparents, and all people related or unrelated who live in your home and share living expenses. Do not include foster children. Find your total household income. TOTAL HOUSEHOLD INCOME IS: The income each household member got last month before taxes. In certain cases, foster children are eligible for free and reduced-price meals regardless of your income. If you have foster children living with you and want to apply for them, please contact us. The information you give will be used to determine or prove your child's eligibility for free or reduced-price meals. OTHER BENEFITS

Are you interested in receiving information about other benefits that your family may be entitled to? Please take a look at the "Other Benefits" section on the back of the application for free and reduced-price meals.

The Department of Social and Health Services (DSHS) will download the names of all children age birth to 20 into the Office of Superintendent of Public Instruction (OSPI) Core Student Record Database. Information will include the child's first name, last name, middle initial, and date of birth. Upon receipt of this information, OSPI will match student names against the DSHS file and then make the "match" data available to each district via the Internet. Students will automatically qualify for free meals if their schools participate in the U. S. Department of Agriculture (USDA) Child Nutrition Programs. Households that do not want their child(ren) to participate in the free meal program should notify the child(ren)'s school.

PROOF OF ELIGIBILITY

The information you provide may be verified at any time. You may be asked to send additional information to prove your child is eligible to receive free and reduced-price meals.

FAIR HEARING

If you do not agree with the decision on your child's application or the process used to prove income eligibility, you may talk with Floyd Smith, the fair hearing official. You have the right to a fair hearing which may be arranged by calling the school/school district at this number 509-340-4300

REAPPLICATION

You may apply for benefits any time during the school year. If you should have a decrease in household income, an increase in household size, or become unemployed, or receive Basic Food, TANF, or FDPIR, you may be eligible for benefits and may fill out an application at that time.
