

Safe and Orderly Learning Environment

Visitors

The following guidelines are established to permit visitors to observe the educational program with minimal disruption:

- A. All visitors must register at the office upon their arrival at school;
- B. Visitors whose purpose is to influence or solicit students will not be permitted on the school grounds unless the visit furthers the educational program of the district; and only with principal permission. Military recruiters will be provided the same opportunities to meet with students as higher education and employer representatives;
- C. If the visitor wishes to observe a classroom, the time shall be arranged after the principal or designee has conferred with the teacher;
- D. If the purpose of the classroom visitation is to observe learning and teaching activities, the visitor may be asked to confer with the teacher before or after the observation to enhance understanding of the activities; and

The principal or designee may withhold approval if particular events such as testing would be adversely affected by a visit. Similarly, if a visitor's presence becomes disruptive, the principal or designee may withdraw approval.
