### **Abuse and Sexual Misconduct**

The district will not enter into any contract that is contrary to law to suppress information about verbal or physical abuse or sexual misconduct by a present or former employee and will comply with all legal requirements regarding such misconduct.

The district, or an individual acting on behalf of the district, shall not provide a recommendation of employment for a current or former employee, contractor, or agent that the district or individual acting on behalf of district knows or has probable cause to believe has engaged in sexual misconduct with a student or minor in violation of the law. District / school employees, contractors, and agents are also prohibited from providing a recommendation of employment to a current or former employee, contractor, or agent that the employees, contractors, or agents know or has a probable cause to believe engaged in sexual misconduct with a student or minor in violation of the law. This does not prohibit the routine transmission of administrative or personnel files, but does prohibit doing more than that to help the current or former employee obtain new employment.

### **Suspension of Staff**

The superintendent/designee is authorized to suspend a staff member immediately as deemed appropriate.
