AND WAIVER OF LIABILITY**

I, _____, am a student at Lakeside High School ("School") in Nine Mile Falls School District ("District"), and make the request of the School and the District to use a non-District automobile to transport myself from the School to _____. I acknowledge that I make this request in order to engage in a learning opportunity for my benefit and therefore am willing to make the following representations:

- (2) That I will drive directly to the location identified above and, if appropriate, directly back to the School;
- (3) That I will not transport any other student in the vehicle.
- (4) That there is insurance on the **vehicle** that satisfies the minimum requirements of the laws of the State of Washington, either now in effect or that may come into effect during this academic year; and
- (5) That the undersigned, and his/her parents and/or guardians agree to indemnify the School District and their agents and employees from any liability for or damage claims which might arise out of the operation of the automobile. This indemnification shall include any and all damage claims, including litigation costs and attorneys fees.
