

Logging into Skyward

To log into Skyward:

1. Go to our district's website at <https://www.9mile.org/> click on the **Parent Information tab** click on Skyward on the left and click on the Parent/Student Skyward link.
2. Enter your Login ID into the space provided. Then press the "Forgot our Login/Password" button. Enter your email address or user name. You will be prompted by Skyward via email to change your password. If we do not have your current email in our system, you will not be able to complete your login and obtain a new password through this route. Please call the school if you are unable to log in. *NOTE: The sequence of 000, 001 or 002 at the end of your login are zeros, not the letter "O". Your login code is based on the first five letters of your last name, followed by the first three letters of your first name. If your last name is less than five letters a space has been inserted for the remaining characters. Be sure to enter the login exactly as it appears on the front of this page including any spaces inserted. For example, if your name is Samantha More, your login code would be MORE SAM000.*
3. Once you have obtained a new password, go back to step one, enter your Login ID and Password, and click "Sign In". *NOTE: If this is the first time you are logging in, you will be asked by your browser to accept pop-ups from this site. You must allow pop-ups from Skyward before you can access the site and interact with it.*
